office hours 7:30-3:30pm
- Transportation office  
584-4173
- Bus Garage 584-4630
- MC Unit office 582-2238

## Bus Questions

Please call the Transportation office with any bus questions or changes.

## Lunch Accounts

Money can be put on student accounts any day of the week—preferably before school. We are not accepting cash in the lunch line due to the problems we had with the line not moving quickly enough to get everyone through before the bell. Now that money is all on account, things are running more smoothly. Parent portals should be ready in October where you will be able to add money to your student's account from home.

## Welcome Back to School!

### Brownbagging Breakfast

With the increase in size of our new district, some bus routes have increased in length. In addition, recent road construction has caused some students to arrive at school a little later than usual. If your student is arriving on a late bus, they can still

get breakfast at school. The kitchen is making "Brownbagged breakfasts" that the kids can take with them to class on the go. It's not the most ideal situation for the classroom, but everyone is trying to make it work. Hopefully, the need for this will de-

*golden eagles*

crease as the roads are finished and other kinks are worked out. We want to make sure all students are going to class with full stomachs! Thanks for your patience.

## Arrivals and Departures

- 8:00am—most students are arriving to school
- 8:10am—bell rings for class
- 3:07—Aledo students released for early buses
- 3:10—remaining students released for buses
- 3:12—Last call for Aledo Shuttle
- 5:30— After Practice shuttles leave
