THIS JUST IN

Mark your calendars! The SIP day scheduled in December has been rescheduled. On October 8th, we will dismiss school at 11:40 so students can get ready for Homecoming and prepare floats and parade entries. December 9th will now be a regular scheduled day.

Junior High Chorus News

Jr. High Chorus has had a very busy start to the School year. There have been auditions for Swing Choir, and a mini-musical that they will be taking to the New Boston Elementary in October. Several students are busy working on music to audition for the District II Jr. High Treble Choir on October 3rd in Geneseo. If they are selected after auditions they will be performing at Augustana College at the District II festival in November. Some students have also been nominated for a Jazz Choir for District II Elementary/Jazz Festival in Dunlap, IL. The Chorus will have two concerts this year and will perform at contest in March. Also in March they will be having a Variety Show.
