

Grandparent's Tea

New Boston Elementary third grade held a Grandparent's Tea in celebration of Grandparent's Day. Over 65 grandparents, aunts, uncles, neighbors, and friends gathered in the activity room. The first part of the program was spent listening to our guest tell about what it was like when they were in third grade. Many went to one-room schools. Some walked miles and miles to get to school. There was no hot lunch program, so everyone took a cold lunch. Girls didn't wear jeans or long pants, unless it was very cold. There were many who had attended schools in western Mercer County.

The second part of the program was the "tea". Although many of the students wanted tea, they settled for orange drink and cookies. A great time was had by all and we are already looking forward to next year!
