

3rd Grade Earth Day Cleanup- April 22

Clean up along
The Mighty
Mississippi.

Lots of what we found
was recyclable.

Hard at work!

More trash along the
riverfront.

Look at all the trash
3rd grade picked up!
On the right, are the
bags of recyclable
material. On the left,
are the bags of actual
trash. Happy Earth
Day!

Doing our part to keep the Earth clean!
