Counselor's Information

Welcome Back MCHS!!!

Welcome to the High School Counselor's page!! As the counselors at the high school, Catherine, Ashley & I look forward to getting to know and working with the students. In our office, we work frequently with student's schedules and transcripts, making sure they are on target to graduate as well as taking the necessary classes that may be required or recommended at colleges they are interested in. Our office has an open door policy to any student that is having issues or difficulties in or out of school. Catherine, Ashley, and I hope that every student will feel comfortable enough to come in to discuss these issues. Standardized test-

ing is a big part of high school and several things are done within the school to help prepare students for these tests. All juniors will be taking the ACT this spring at Mercer County for free. Please follow the counselor's page on the website to see important dates for these tests as well as other important dates including; college

visits, recruiters, deadlines, & scholarship opportunities. Please feel free to contact us with any questions or concerns. We are looking forward to a wonderful school year here at Mercer County High School!!!

Students may register on-line at www.act.org and use a credit card for payment. REMEMBER to include Mercer County High School's code 140008 on the registration information so the school has your ACT scores for your transcript. Keep in mind that the ACT can be taken multiple times & colleges do not care if scores go down on retakes. Colleges will not pull the highest scores from multiple dates but do take the highest scores from one single test date regardless of the number of times the test has been taken. **Fee waivers are available if you qualify.
