Public Participation in BOE Meetings

The Board of Education welcomes public comment during the Public Comment portion of the agenda. Those who wish to address the Board should state their name and limit their statement to five minutes. Comments are not restricted to items on the agenda; however, comments regarding specific student discipline cases are not allowed during Open Session. Generally, these types of comments should come to the Board only after they have been referred to the teacher, principal, or administrator who is closest to the situation. If all other avenues for resolving these items have been exhausted and the issue has not been resolved, you may request to address the Board, usually during Closed Session. In addition, please refrain from using derogatory comments about staff members at this time.
