

Building and Grounds

July 23, 2024, Call to order 6:04 PM

Attendance:

- Committee members: Jason Monson, and Bill Smock (6:25PM)
- Other Board Members: July Wagner
- Staff: Tim Farquer, Andrea Cooper, Doug Giles
- Community Members - None

Apollo Update

- Apollo is close to completion other than serving Counter in Cafeteria
- Dale and Julie looking at electric ranges

NBE Update

- NBE is progressing but is still working on Asbestos abatement of the demo's building.

MCHS update

- Discussed the exterior options. Option 2 and 5 came to the top of the pile. Settled on Option 2.
- Discussed the build out of the existing office as a student center.
- Discussed the flooring options that were presented VCT, Admix, carpet, Epoxy, Marmoleum are options.
- Leaning toward a mix of Admix and Carpet. VCT in bathrooms. If cost savings are needed, we could look at doing VCT in the hallways.

Other:

- Create a design team to set standards for the district.
- Roof at HS is almost done, finishing up trim work.

Adjourned @ 7:27 PM Monson Motion Smock second.
