Attention SENIOR Parents

Senior Parents- Filing of the FAFSA is now a graduation requirement in the state of Illinois. If you absolutely know that you will not be needing financial aid or federal student loans, there is a waiver that can be filled out and signed to meet this requirement. FAFSA is now open! If you haven't completed the FAFSA yet and need help or guidance, please contact the counseling office. We can steer you in the right direction.

MCHS College & Career Day

On Wednesday, October 15th MCHS held their College/Career Day. This was a great opportunity for our students who attended to receive information from over 50 colleges, universities, local unions, businesses, trade schools and military personnel.

Attention Seniors!!

1. **Seniors.....**By now, you should have submitted two or more college/university applications. If you have not heard from the schools within 3 weeks, call admissions and ask about the status of your application.
2. Students going directly into the workforce after high school should begin working on resumes & researching for possible job opportunities.
3. For graduating Seniors who want to work and/or receive advance training consider:

Apprenticeships: more information available in the LRC or in the Counselor's Office

Post-Secondary Visits

Juniors and Seniors may use a total of three attendance days to visit post-secondary schools. Forms may be picked up in the counselor's office and must be returned to the main office at least one day prior to the visit, for the absence to be excused. Keep in mind that most post-secondary schools have special fall preview days on Saturdays and encourage parents/students to make private appointments if they cannot attend a preview day. Several colleges are currently offering scholarships to students who attend the preview days. Scholarship eligibility is often based on a qualifying essay or drawing.
