

Mercer County Health

Department has been awarded a grant for Bullying Prevention to be implemented at

Mercer County School District

This grant funding, provided by the Illinois Criminal Justice Authority, will provide training to staff throughout the district grades K-8, student questionnaires and assessment reports, and teacher's materials

The program has been found to reduce bullying among students, improve the social climate of classrooms, and reduce related antisocial behaviors, such as vandalism and truancy

Contacts at Mercer County Health Department:

Leslie Connell, Bullying Prevention Program

Shawna Weeks, Coordinated School Health Program
