Each year the directors at Mercer Credit Union generously set up an Educational Scholarship fund to be awarded to local recipients. Whether it's a student graduating high school and furthering their education or an applicant that wishes to continue undergrad school, either are eligible to apply.

This year the credit union has set aside a total of \$3000 to be awarded to one applicant or split between a few applicants.

Each applicant must be a member of Mercer Credit Union with a minimum of \$5 account balance.

Please contact the above email address or call the office at 309-582-2005 for more information on becoming a member or acquiring a scholarship application.

All applications must be due in the credit union office on or before April 28th, 2023

Sincerely,

Vickie Korns, Manager
